9 April 2020

## The Leeds Perinatal Mental Health Service is moving

We are making some changes to our Perinatal Mental Health Service. From Thursday 9 April, our Mother and Baby inpatient unit (MBU) is temporarily relocating from its current base at The Mount, to Parkside Lodge in Armley.

This decision has been made in response to the Coronavirus pandemic as we are making changes to the clinical environment at The Mount to prepare for this.

In addition, the Leeds Perinatal Community Mental Health Service and Outreach teams will also temporarily relocate their base from The Mount to ensure a good continuity of service.

The service's full address will now be:

Parkside Lodge  
16 Stanningley Road  
Armley  
Leeds  
LS12 2HE

Our contact numbers will remain the same. They are:

- Mother & Baby Unit: 0113 85 55509
- Outreach Team: 0113 85 55505
- Leeds Community Perinatal Team: 0113 855 5505
