Self-management	<p>Self-management support in Leeds for older people and people living with LTCs who are clinically at high risk of Covid-19</p>	<p>https://digitalinclusionleeds.com/tools/staying-well/</p>
Digital champions training	<p>If your organisation, staff, or volunteers support service users with no/low digital skills, this training will enable you to promote the benefits of being online to your members and support with adapting your services in the face of Covid-19.</p> <p>The team is able to offer telephone and video conferencing support to help you identify the best platforms to use, make the best use of tools available, and support you to help your service users stay connected.</p>	<p>This training is being delivered by the 100% Digital Leeds team in Leeds City Council.</p> <p>Email: Rachel.benn@leeds.gov.uk</p>

Digital self-management	myCOPD app helps people with COPD to better manage their condition. It can be used to support inhaler technique, improve breathing, reduce exacerbation, track medication and more. GP practices in your area can find out more about access to myCOPD with e-training on offer to provide this free app for patients across Leeds; enabling them to access pulmonary rehab at home and self-manage their conditions.	Contact Rachel.benn@leeds.gov.uk for further information.
	myHeart app has been purchased by LCH to offer their patients who would normally attend cardiac rehabilitation an alternative to ongoing support and rehabilitation following their acute event.	A standard operating procedure and criteria is being developed in partnership at present.

Adults

Area	Details	How to access
Domestic violence	Leeds Domestic Violence Service (LDVS) providing support for anyone experience domestic abuse. People who need to leave home in order to stay safe will still be supported to do so by LDVS or Leeds Housing Options. LDVS continues to support existing clients and their families in the community. A safe place to stay with social distancing measures in place to protect you.	LDVS website: https://ldvs.uk/ Helpline: 0113 246 0401 If calling is unsafe, a web-chat service is now being offered from Monday-Friday between 1pm-3pm via https://leedswomensaid.co.uk/ . If you are in immediate danger, call 999 (press 55 after the emergency number if you're in danger and unable to speak). For more information and resources, see: https://www.leeds.gov.uk/domesticviolence/Pages/default.aspx Government guidance is available on Domestic Abuse and Domestic Abuse Safe Accommodation Provision .

Physical activity	<p>Yorkshire Sport Foundation has put together a great guide for people who are self-isolating. From workouts especially designed for kids, its new service #ThisIsPE, where local teachers offer lessons on Mondays, Wednesdays and Fridays, to activities for people with long-term conditions</p>	<p>https://www.yorkshiresport.org/get-active/active-at-home/.</p>
	<p>With its new campaign #StayInWorkOut, Sport England also offers loads of ideas and videos for older people, younger adults and children to follow at</p>	<p>https://www.sportengland.org/stayinworkout</p>
	<p>Very young children can enjoy the playful ideas in Active Imaginations with videos</p>	<p>www.activeimagnations.co.uk</p>

	showing how to play games like sticky spiders' webs to buggy races, most of the ideas have been designed to work using ordinary household objects and indoor spaces or gardens.	
Mental health	<p>Every Mind Matters (a collaboration between Public Health England and the NHS) offers some really useful tips on dealing with anxiety about coronavirus.</p> <p>Ideas for maintaining mental wellbeing at home are also featured on the site, with links to further advice and support including relaxation audio guides, sleep tips and NHS-recommended helplines where you can speak to someone in confidence about how you feel. The general advice is to stay active, carry on doing things you enjoy, stay connected to loved ones and avoid being glued to the news.</p>	<p>https://www.nhs.uk/oneyou/every-mind-matters/.</p>
