

Leeds Youth Charter Survey

Get involved in shaping the future of healthcare in Leeds

Have your say on healthcare within Leeds

This will feed into a charter for the city of Leeds which will be signed by senior Leaders

3 main questions:

- **Looking at the health care system today. What don't you like?**
- **Looking at the health care system today, what do you think works well?**
- **What would be your dream health care system look like?**
