

# COVID-19 vaccine sites in and around Chapeltown

Information correct as of 02/08/2021.

Please note:

- All people aged 18 and over are eligible for the vaccine
- Face coverings must be worn at all vaccination centres

When you are ready for the vaccine, we recommend the following sites if you live in and around **Chapeltown**:

- 1 The Pharmacy Group** Reginald Centre, 263 Chapeltown Road, LS7 3EX  
Appointments are essential and can be booked by visiting: [nhs.uk/covid-vaccination](https://nhs.uk/covid-vaccination) or calling: **119**.
- 2 St Martin's Medical Centre (Medichem)**  
St Martin's House, 210-212 Chapeltown Road, LS7 4HZ  
Appointments can be booked by visiting: [nhs.uk/covid-vaccination](https://nhs.uk/covid-vaccination) or calling: **119**. Walk-in appointments are also available, Monday to Friday 9:00am to 6:00pm, and Saturdays 9:00am to 4:00pm
- 3 Bilal Centre** Conway Road, Harehills, LS8 3RD  
Available every **Wednesday** between **10am and 5pm**, and every Friday between 2pm and 6pm. This is a walk-in service to people **aged 40 or over only**. **No appointment necessary**.
- 4 The Pharmacy Group** 2 Oatland Drive, Little London, LS7 1SH  
Appointments are essential and can be booked by visiting: [nhs.uk/covid-vaccination](https://nhs.uk/covid-vaccination) or calling: **119**.

## Leeds vaccine bus:

The vaccine bus is in a different location each week, and offers walk-in appointments to anyone aged 40 and above. People living in and around Chapeltown may find it convenient to use the bus when it is at the following site:

- **BAME Wellbeing Centre** (formerly Fredrick Hurdle Day Centre), **4, 5 and 6 August**. Open between **10:00am and 3:00pm**.

## Temporary vaccine sites

To help make it easier for people to access the vaccine, we are hosting a number of pop-up vaccine sites right across the Leeds district. You can find information about all pop-up vaccine sites at: [www.leeds.ccg.nhs.uk/coronavirus/covid-19-vaccine](https://www.leeds.ccg.nhs.uk/coronavirus/covid-19-vaccine).

## About the COVID-19 vaccine:

- All people aged 18 and over are now eligible for the vaccination.
- If you are aged over 50, living with a long term condition or have a suppressed immune system, you are at increased risk from Covid. Vaccines can help prevent you becoming seriously ill.
- The vaccines are safe and have been through rigorous checks, as well as extensive trials.
- Each vaccine requires two doses, 8 weeks apart (or sooner for people with health conditions that make them more vulnerable). The 1st dose gives you good protection from 3 or 4 weeks after having it. Having the second dose gives you stronger and longer-lasting protection.
- Having a vaccination is the best way to protect yourself, your family and your community from serious illness.
